

A close-up photograph of a woman in a white, draped dress with a multi-strand pearl necklace. She is looking upwards towards a man's face, which is partially visible in the foreground. The man's face is tilted back, showing his nose and mouth. The background is softly blurred, suggesting an outdoor setting.

If I could wrap you up in one word that would be the word “longing” ...  
with all the consonants accented. Pronounced in such an elongated manner to fill your mouth.  
I would say it out loud for everyone to hear and feel jealousy for my joy.  
And while saying it I would walk and the sun would appear.  
Flowers would bloom and trees would grow taller.  
The sky would fill with colourful butterflies and everyone would sing good morning.  
They might even dance. And I would walk as much is needed without caring how much that would be...  
because I'd know that at the end of the road, long as it might be, there would be you waiting for me.

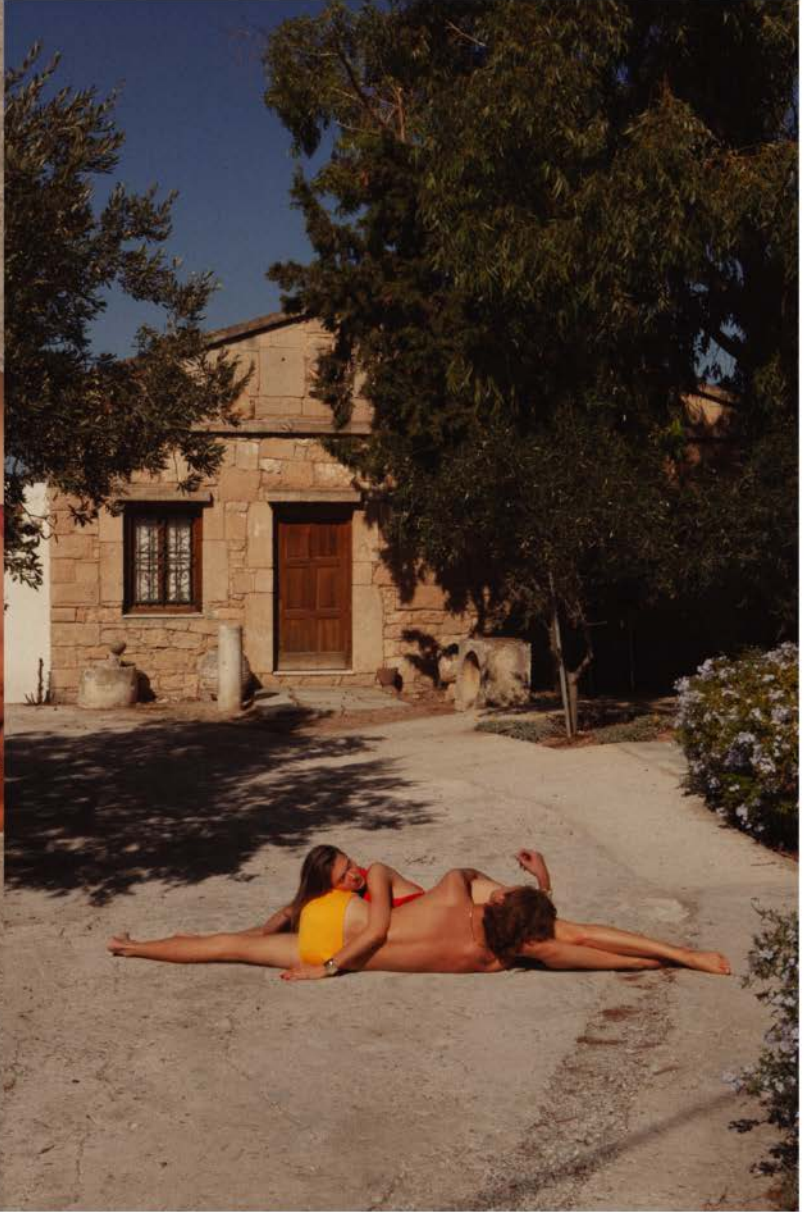

Eros ... an equivalent of “life energy”.  
The driving and unexplainable force behind all creativity.  
A boy and a girl sharing everything under the sounds of a  
Grecian summer in the mystical island of Aegina.

Αν έπρεπε να σε κλείσω σε μια λέξη θα σ' έκλεινα στη λαχτάρα...  
με όλα τα σύμφωνα τονισμένα αν γίνεται αυτό. Συρτά.. να τα λες και να γεμίζει το στόμα.  
Θα την φώναζα να την ακούσουν όλοι. Να ζηλέψουν για τη χαρά μου.  
Και ενώ τη φώναζα θα περπατούσα και θα έβγαινε ο ήλιος.  
Θα άνθιζαν τα λουλούδια και τα δέντρα θα γίνονταν πιο ψηλά.  
Θα γέμιζε ο ουρανός πεταλούδες με χίλια χρώματα και όλοι οι άνθρωποι θα λέγαν καλημέρα τραγουδιστά.  
Ίσως να χόρευαν κιόλας. Κι εγώ θα περπατούσα όσο χρειαστεί χωρίς να με νοιάζει πόσο.. γιατί θα ήξερα πως  
στο τέλος του δρόμου όσο μακριός και αν ήταν θα με περίμενες εσύ.
